AND THE REASONS FOR IT**

TURKEY

Grinding balls and similar articles for mills

The following communication, dated and received on 13 October 2021, is being circulated at the request of the delegation of Turkey.

Republic of Turkey hereby notifies the Committee on Safeguards, pursuant to Article 12.1(a) of the Agreement on Safeguards on initiation of a safeguard investigation on imports of Grinding balls and similar articles for mills.

1. The date when the investigation was initiated

The investigation was initiated on 09/10/2021. The related Communiqué with the number 2021/8 was published in the Official Gazette on the same date.

2. The product subject to the investigation

The product under investigation is hereinafter referred to as "Grinding balls".

Grinding balls are currently classified in the Turkish Customs Tariff Schedule under two customs tariff codes 7325.91.00.00.00 and 7326.11.00.00.00.

3. The reasons for the initiation of investigation

The investigation was initiated upon an evaluation of a safeguard petition from the domestic industry and on the basis of the evidence and the information contained therein.

The information currently available indicates that there has been an increase in imports of grinding balls in absolute terms.

During the period analyzed, there has been a negative trend in certain economic indicators, such as domestic sales, production and capacity utilisation of the producers of the like product. Overall, the information currently available shows that there has been a deterioration in the situation of the domestic industry.
